Article 2 - Statistics

- no statistics carried out by the Association shall be of such a nature as to allow one member to ascertain the source of the data or to induce a concerted behaviour of the members,
- members may only send out statistics concerning the countries as a whole,
- members may only send out the information necessary for the elaboration of the statistics of the Association,
- the statistics are to be sent to the Association at least on a quarterly basis,
- the Association shall take all necessary measures to protect the confidentiality of the information received from its members.

Members (National Associations) are required :

- (a) to keep the company data confidential, secure and protected against unauthorised access and not to use the data for any other purpose
- (b) to abstain from exchanging aggregated data if at any given moment there are less than three companies participating (zero or negligible inputs must also be excluded when they might cause the disclosure of individual companies' data) or take immediate steps with UTIPULP's secretariat to aggregate country reports to avoid this happening.

Article 3 - Membership

1. It has been agreed that, for the time being, membership shall be confined to Associations predominantly of users of market chemical woodpulp (whether bleached or unbleached, long or short-fibre).
2. It has been agreed that "user companies" should be defined so as to include those which are partially integrated towards pulp as well as those which are at the same time users and producers / sellers of pulp.
3. Persons appointed to the General Assembly will be of the level of head of companies or at least be members of the management of their companies.

The permanent executives of the member associations of the Association may take part in its work upon request.

Article 4 - General Assembly
