No : 007/APKI/01/2018
Subject : Response to Pulp Market Presentations and Antitrust Law

To,
Mr. Sylvain Lhôte
Director General
Confederation of European Paper Industries
250 Avenue Louise, Box 80
B 1050 Brussels, Belgium

Dear Mr. Lhôte,

First and foremost, on behalf of APKI, I would like to thank you for bringing CEPI's concerns which was raised in letter dated 19 December 2017.

We have shared and discussed that concerns within the Group, that the presentations may give rise to suggestions that it may be in violation of global antitrust regulations.

The Group and Speakers were surprised by the misinterpretation of the presentations. The Speakers has assured us that they always acted in compliance with laws regulating competitive behavior, and regard it as unfortunate that the presentations gave rise the concerns raised. This was never the intention. APKI has reminded the Speakers to be mindful and modify their future presentation materials to avoid the use of phrases that may give rise to such misinterpretation.

It would be much appreciated if CEPI could confirm the receipt of this letter and concur that the matter is now resolved.

APKI will also proactively remind all of its members of CEPI's concerns and appreciate its relationship with CEPI.

Best regards,

Aryan Warga Dalam
Chairman of APKI
